

Take Control of Your Health

With My VA Health

Join your fellow Veterans who use the My VA Health patient portal to help make informed decisions about their VA care.

As part of the Federal Electronic Health Record (EHR), My VA Health allows VA, the Department of Defense, the U.S. Coast Guard, and community care providers to more easily provide Veterans with world-class health care by using a shared health record system — with online resources and tools that offer you greater control over your health and wellness.

My VA Health capabilities

Review and manage your VA health appointments.

Refill and renew VA medications prescribed by your VA health care teams.

Send secure messages to your VA health care teams.

Access your current VA health records.

Logging in to My VA Health

To access My VA Health, log in to VA.gov. Authenticate your identity using either of the login credentials you use today:

- Verified Login.gov account
- Verified ID.me account

If you need help, support teams are ready to help anytime by calling **888-444-MYVA (6982)**.

Note: You must continue to use the My HealtheVet patient portal to manage care you receive from VA medical facilities not using the Federal EHR system, including requesting prescription refills or renewals for medications ordered by VA providers from those facilities.
