

CLICK
Health record tab

Select the **Health record** tab from the dashboard to access key information from your health record. The following pages will guide you through the steps you should take to access specific details from your record.

*This guide helps Veterans explore and understand My VA Health, which is used at facilities with the Federal EHR. You'll find tips on how to use My VA Health highlighted in green **i** and instructions for navigating to different sections of this guide in **yellow**.*

If you need assistance or help navigating any features, there is a support team ready to help anytime by calling **888-444-MYVA (6982)**.

Welcome to My VA Health. Here, you'll find useful tools for working with your health care team to manage your health, including appointments, health records, and prescriptions.

For the best portal experience, it's recommended that you use the following browsers: Firefox, Microsoft Edge, or Google Chrome. Each of these should provide an excellent portal experience.

Do you want to get notifications of new messages and health information updates in My VA Health? Make sure your current email address is in your VA.gov Profile. To update your contact information, sign in to [VA.gov](#) with an identity-verified account. Select your name in the main navigation, then select Profile.

My VA Health can be used alongside My HealtheVet for managing your care.

If you need help navigating My VA Health, there is a support team ready to help! Please call **888-444-MYVA (6982)** to contact them.

Welcome to My VA Health. Here, you'll find useful tools for working with your health care team to manage your health, including appointments, health records, and prescriptions.

For the best portal experience, it's recommended that you use the following browsers: Firefox, Microsoft Edge, or Google Chrome. Each of these should provide an excellent portal experience.

Do you want to get notifications of new messages and health information updates in My VA Health? Make sure your current email address is in your VA.gov Profile. To update your contact information, sign in to [VA.gov](#) with an identity-verified account. Select your name in the main navigation, then select Profile.

My VA Health can be used alongside My HealtheVet for managing your care.
