

# Prepare for VA's sign-in changes

In 2025, we're moving to two  
secure online sign-in options:  
**Login.gov** and **ID.me**.

This change will reduce the  
number of options you need  
to choose from — and continue  
to protect all Veterans'  
information and benefits.

## Changes to VA websites and apps:

After **March 4, 2025**, we'll remove the My HealtheVet sign-in option.

After **September 30, 2025**, we'll remove the DS Logon sign-in option.

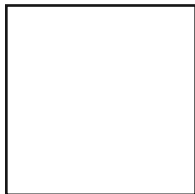

You'll need to use either a **Login.gov** or **ID.me** account to sign in.

**Note:** Your health portal isn't going away. We're just changing the way you sign in.
